

# EXPLORE THE SILENT KNOWLEDGE OF TEOTIHUACAN

The  
Toltecs inspired a legacy  
at Teotihuacan for all humanity.

On this transformational journey into the wisdom preserved in this sacred city of pyramids, we will reclaim our birthright as great, mighty and powerful spiritual beings. The site is a living edifice that can assist us in resolving our fear and becoming more of who we are.

“Cosmic change is afoot and galactic frequencies of the highest calibration are infusing our collective consciousness with deep spiritual wisdom. This higher wisdom carries an endless stream of potential and possibility for all humanity. Our perception of the nature of reality is constantly shifting, before our very eyes.”

*These are the most stupendous of all times to journey to the heart of ancient knowledge, to explore the mystery and magic of Teotihuacan. If you are prepared, we'd be delighted to have you join us. - Kathryn Brinkley*

Dannion and Kathryn Brinkley are celebrated authors, teachers and inspirational speakers. Their latest collaboration is the highly acclaimed book, *Secrets of the Light: Lessons from Heaven*. Both Kathryn and Dannion have survived near-death experiences that served to completely reshape their perspective of reality as well as endowing them with unique spiritual gifts. By leading journeys of reverence to the world's most sacred sites, Dannion and Kathryn share their incomparable view of the meaning of life, love and consciousness on both sides of the veil.
